Audit & Assurance Services

Our aim is to ensure that, where your business is required to comply with legislation or the reporting demands of lenders or funders, we provide services in an efficient and cost effective manner to meet those requirements. We also strive to add value to your business through the work we undertake.

Many businesses are faced with compliance issues either on an annual basis, or at some stage in their existence. This may be in the form of Statutory Audit, Audits required by Lenders under Covenant Arrangements, Assurance Certifications required by grant funding bodies, or specialist work such as Solicitors Regulation Authority Client Money Audits.

Our services include:

- UK Statutory Audit for Companies and Charities. Assistance to UK Subsidiaries of Overseas Parent
- Companies, to enable compliance with Group Audit requirements.
- Solicitors Regulation Authority Audits.
- Audits or Independent Reviews for Grant Funding Bodies, including Government.
- Independent reviews for Schools and other funds.
- Accounts and Taxation Services, in addition to Audit and Assurance work.

Smith Craven's Audit and Assurance Department, aspires to provide clients with an intelligent yet resourceful service. The team analyse every aspect of clients' activities, providing real value to each of their businesses and underpinning investor confidence. The Team's understanding enables them to offer solutions to client problems, to help them learn from the past and prepare them for the future.

Understanding of Business Risk, Corporate Governance and Internal Control are the competencies that underpin the Audit Team's roles and responsibilities to its clients. We provide Independent Assurance that protects the business against risk, informs strategic decision making and improves overall performance. When clients engage in this way with us, they receive optimum value from an Audit.
